

1. What brands does Sytner Group represent?

Sytner Group represents a wide range of premium and performance brands, including Audi, BMW, Bentley, Porsche and many others. Their dealerships focus mainly on luxury and specialist marques across the UK, offering both new and carefully selected used vehicles.

2. What is Sytner Select?

Sytner Select is the group's approved used-car programme for quality vehicles that do not fall under a single manufacturer-approved scheme. Cars are hand-picked from across the Sytner Group and prepared to a consistent Select Charter so that they meet strict cosmetic and mechanical standards.

3. How well prepared are Sytner Select cars before sale?

Every Sytner Select vehicle is prepared in line with the Sytner Select Charter, which sets detailed expectations for cosmetic condition and mechanical checks. The exact appearance may vary with age and mileage, but each car is intended to represent an excellent example of its type and to be ready to drive away with confidence.

4. What warranty comes with a Sytner Select vehicle?

With every Sytner Select purchase, customers receive a complimentary Select warranty for 3 months or 3,000 miles, whichever comes first. This warranty is funded and administered by Sytner and is designed to offer comprehensive protection against unforeseen mechanical issues during the early period of ownership.

5. Can the Sytner Select warranty be extended?

Yes. After the initial complimentary period, you can usually choose to extend the warranty for a longer term, such as 12, 24 or 36 months, for an additional cost. Many buyers choose extended cover so that their ownership experience remains protected for several years.

6. Where is Sytner Group headquartered and how is it registered?

Sytner Group's registered office is at 2 Penman Way, Grove Park, Leicester, and the company is registered in England. It has grown from a single dealership into a nationwide group, while remaining headquartered in Leicestershire and operating many locations across the UK.

7. Is Sytner authorised and regulated for finance and insurance?

Yes. Sytner Group Limited is authorised and regulated by the Financial Conduct Authority for certain regulated activities, such as insurance distribution and consumer credit broking. This means their finance and insurance processes must follow FCA rules and standards designed to protect customers.

8. What payment methods are accepted when buying a Sytner Select car?

Typically, Sytner accepts deposits by debit or credit card, while the final balance is paid by debit card or bank transfer. For security and compliance reasons, they do not normally accept large cash payments or bank drafts when completing a vehicle purchase under the Sytner Select programme.

9. How can I find my nearest Sytner Select dealership?

You can use the Sytner Select 'dealerships' or 'find a retailer' tool on their website to search by postcode, town or region. The results show address details, contact numbers and sometimes specific stock for each Sytner Select location, helping you plan a visit or arrange an appointment.

10. How does Sytner support customers with additional needs or vulnerabilities?

Sytner states that it is committed to supporting customers who may require extra help during their sales journey and beyond. They invite customers to share any additional support needs through a dedicated customer-support form, and their teams aim to adapt communication, appointment times or handover processes accordingly.

11. What is Sytner's general approach to customer service and complaints?

Sytner emphasises that customer satisfaction is central to their business and that they welcome feedback when expectations are not met. Their customer-service pages explain how to raise a concern, what to expect from their investigations and how they use feedback to improve service standards across the group.

12. Does Sytner buy cars directly from private owners?

Yes. Sytner promotes itself as one of the UK's leading buyers of used and prestige vehicles. Owners can request an online valuation, arrange an appointment and, if they accept the offer, complete a straightforward sale process with fast payment, even if they are not buying another car from Sytner.

13. Does my car have to be serviced at Sytner to keep the warranty valid?

For Sytner Select warranties, the vehicle must be serviced either at a Sytner Select location or at another VAT-registered garage if agreed under the warranty terms. Keeping invoices and service records is important because they may be needed if you make a claim under the warranty.

14. Where is the Sytner Select warranty valid?

The Sytner Select warranty is generally valid for breakdowns occurring within the United Kingdom, including Great Britain, Northern Ireland, the Channel Islands and the Isle of Man. Customers should always check the specific terms and conditions for any exclusions or geographic limitations before travelling.

15. Do I need approval before starting repairs under the Sytner Select warranty?

Yes. In most cases, repairs under the Sytner Select warranty should not begin until the warranty administrator or Sytner Select has authorised the work. This ensures that the repair is covered, the correct diagnostic steps are followed and the work is carried out at an approved facility.

16. How do I make a warranty enquiry with Sytner Select?

If you have a query about your Sytner Select warranty, you can use the dedicated warranty enquiry form on their website. After submitting your details and vehicle information, a member of the Sytner team will contact you to discuss coverage, claims procedures or any other questions you may have.

17. What types of used vehicles are included in the Sytner Select range?

The Sytner Select range includes a broad mix of used vehicles drawn from across the Sytner Group, often including prestige, performance and popular mainstream models. Each car is selected based on its history and condition, then prepared to the Sytner Select Charter so buyers can be confident in its quality.

18. How does Sytner handle feedback about service quality?

Sytner encourages customers to share both positive and negative feedback via online forms or directly with the dealership. They review complaints in line with internal procedures, aim to resolve issues promptly and use insights from feedback to refine processes, staff training and customer communication.

19. Can I use Sytner for ongoing servicing and MOTs after buying a car?

Yes. In addition to sales, Sytner operates service centres that can carry out scheduled maintenance, MOT testing, repairs and warranty work. Using their authorised workshops helps ensure that your car is maintained to manufacturer standards and can support the validity of any applicable warranties.

20. Does Sytner only deal with luxury vehicles?

Although Sytner is best known for premium and prestige marques, its network includes a variety of brands and models at different price points. Through Sytner Select and brand-specific dealerships, they offer everything from compact hatchbacks to high-end sports cars and SUVs, depending on

location and stock.
